Roof repairs

We are having the scaffolding put in place today, ready for the roofing repairs to begin. We are hoping these will be completed on Friday 4th December. We are sorry for the inconvenience this has caused with visiting, however we must ensure everyone remains safe whilst work is carried out.

We are asking if families would like to donate any Solar powered Christmas lights or decorations to Peasmarsh Place, unfortunately due to COVID-19, our decorations need to be limited inside this year so we would like to make outside cheerful and festive for our residents to enjoy.

Some of the residents have enjoyed creating their very own animals using various fabrics and patterns.

Alternatively, residents can enjoy games with a cup of tea

Work has been completed on the front bathroom. It is fully functioning with a walk-in bath for residents to use if they wish.

We will keep you all updated with when visiting will run again.

We hope that you all remain safe and well

From all at Peasmarsh Place

Ann Celebrated her Birthday this month, We wish her many happy Return.
