## Halloween Lunch

Our Halloween lunch was a great success, staff were able to attend in fancy dress to enjoy lunch socially distanced from residents.

Followed by entertainment in the afternoon with strict safety measures in place.

The residents have enjoyed being active this week with balloon tennis in the lounge and Hoopla.

Jim has been leading the construction of the Miniature railway. This has been a project spanning many months, however it is coming together very well.

Residents have also enjoyed getting creative either by joining in with the weekly Art Club or Crafting with Hill's

We continue to test our staff weekly for COVID-19 to ensure the safety of the home is maintained, our residents will continue to be tested every 28 days.

We hope that you all remain safe and well

From all at Peasmarsh Place
