

Peasmarsh Place Newsletter

VISITING – We are happy to announce that we will resume visiting to the home on Monday 9th November, however we can only allow one consistent nominated person per resident at this moment this will be reviewed weekly. Please contact a member of the senior team if you have any further questions about this and to pre book your visit.

Visiting times will be between 10am and 12pm.

Our paramedic Practitioner successfully completed the flu vaccinations for our residents last Friday.

The Mobile Opticians have also visited this week and those residents who chose to have their eyes tested were seen, Prescriptions have been provided for these residents.

We will be introducing quality time with our Carers, this will allow residents to spend time with Carers in the afternoon to have a chat, go for a walk around the grounds or whatever they choose to do during this time. Please feel free to provide us with photos, videos, letters, cards etc. We can help our residents to access these to help them stay connected.

Staff have recently received further training regarding COVID-19 ensuring they are up to date with all Policies, Procedures, and legislation regarding this.

Happy Halloween

We will be holding a Halloween lunch for residents on Friday 30th October along with afternoon entertainment being provided behind a Perspex screen at a safe distance for residents to enjoy.

We are happy to confirm we have no cases of COVID-19 at Peasmarsh Place.

Residents have been enjoying card making this week and taking advantage of YouTube, watching documentaries and having discussions with each other.

We hope that you all remain safe and well

From all at Peasmarsh Place
