Winter wonderland Drive through

We are hoping to make a festive family drive through happen on 19th December, we will be creating a winter wonderland under a Marquette which has been kindly lent to us, to allow residents to see their extended relatives from a distance, slowly driving past and waving, you will also be able to use this opportunity to deliver any gifts you wish for them to receive Christmas Day.

Visiting

We are sending out consent forms for the nominated visitor to complete giving consent to be tested prior to their visit. This test will require a swab from the throat and nose with results after 30 minutes. We cannot allow visits without a test prior.

Some of the residents have enjoyed getting festive with their first Christmas craft session

The residents Art club has been busy this week, this is a great time for residents to socialise

We have received our delivery of new furniture for the lounge, giving the residents extra comfort should they wish to spend time here

We will keep you all updated with when visiting will run again.

We hope that you all remain safe and well
