Visiting

We are asking for families to please clarify who the 5 nominated persons are, as we need to have these on file.

Visiting will continue Mondays and Thursdays, if you are unable to make it on these days, please contact a member of the senior team to make other arrangements.

As you are all aware unfortunately covid cases are increasing and although outside visits are permitted, we still advise that visits take place at Peasmarsh Place as this remains a safer option, but we do understand that the well-being of our residents must be a priority.

Activities

At Peasmarsh we like to ensure all residents can participate in the daily activities

provided, some residents may prefer to enjoy the activity in the comfort of their own room and our activities coordinator will support them in doing so.

The warmer weather has given residents the opportunity to take a short walk

around the grounds to look at the roses in bloom
