We were kindly donated some flowers which the residents enjoyed arranging in vases to have around the home.

The residents had the opportunity to test drive an electric wheelchair which could enable them to access the grounds safely.

Hoopla was a popular activity choice this month. A great way to exercise from the comfort of a chair

Gloria Valencia-Ruiz has joined us here at Peasmarsh Place as the interim manager. Gloria has met with residents and introduced herself and looks forward to meeting all relatives over the coming weeks.

The Gardens are still full of colour and the bee's have been busy enjoying the flowers

We hope that you all remain safe and well.
From all at Peasmarsh Place.
