HAPPY NEW YEAR! WISHING YOU ALL A PROSPEROUS 2022

Visiting

The guidance for visiting care homes changed on Monday 31st January.

We are pleased to announce, that residents are now permitted to have unlimited visits from family and friends. This is an important step forwards for our residents.

Please note that we still require visits to be booked in advance and a negative LFT result prior to your visit. **PPE must be worn.**

Works to the exterior of the building have continued with the windows having a fresh lick of paint. Our shutters are being removed in stages for work to be completed off site to bring them back to life.

It's been lovely to see lots of mallards wandering the grounds of Peasmarsh Place, the residents have enjoyed spotting them from all corners of the house

A little fact about Peasmarsh Place: Peasmarsh Place was owned by the Liddell family, and it is believed that it was here Charles Liddell's niece, Alice, was told stories by Lewis Carroll, who then wrote "Alice's Adventures in Wonderland".

**We hope that you all remain safe and well.
From all at Peasmarsh Place.**

Activities

The residents enjoyed a visit from Darcy the spaniel. Darcy visited numerous residents around the home

The residents thoroughly enjoyed a game of Bingo.

If you have anything you could donate as a prize, please let Hilary our activities coordinator know.

Happy New Year!

It is good news that our residents can now see more visitors, especially following the two-week closure of the home to visitors.

I would like to congratulate Megan Craig on her recent promotion to Deputy Manager.

With better weather on the way, we are looking at ways to allow our residents greater access to the grounds – we have ordered a motorized wheelchair and are hoping this will be delivered around Easter time.

We will be holding a Spring Raffle following the success of our Christmas raffle – more details to follow in the next Newsletter.

Julie Harper
Manager
