

Peasmarsh Place Newsletter

Easter Raffle - We are looking for donations, if you would like to donate a raffle prize or buy tickets, please talk with Hilary our activities coordinator!

Visiting

Although there are no nationally set direct restrictions on visiting in care homes, we here at Peasmarsh Place will continue with the practices we have had in place, we ask that visitors inform the home of their visit prior and complete a Lateral Flow Test on the morning of their visit. PPE must be worn during visits to the home.

For more information, please follow the link below.

Activities

We had a high attendance of residents to the Sunday film afternoon, Singing in the rain.... Most appropriate for the weather we have experienced in the past weeks.

On Saturday's residents can gather and enjoy a glass of Sherry before supper in the dining room.

Unfortunately, due to the bad weather here in the southeast we lost power for 24 hours! But we are lucky enough to have an emergency generator for such situations, this kept the home powered, so residents were not affected. Several days later we lost our water supply but were saved by staff going above and beyond and people from the local community providing the home with plenty of emergency water! It was a great relief when all was restored.

Claire celebrated her Birthday earlier in the month! We wish her many happy returns!

Thank you to all the staff that ensured the home kept running during the recent storms.

Welcome to the three new staff that have joined us at Peasmarsh – Sue Pattenden, Karyn Cook and Katrina Metcalf. We hope you enjoy working here and it is great to have you all as part of our team.

Julie Harper
Manager

**We hope that you all remain safe and well.
From all at Peasmarsh Place.**
