

Peasmarsh Place Newsletter

Easter Raffle - We are still looking for donations, if you would like to donate a raffle prize or buy tickets, please talk with Hilary our activities coordinator!

Visiting

It has been announced that from April 1st 2022, It will no longer be a legal requirement for Lateral Flow Test's to be completed prior to visiting a resident in a Care Home.

Booking visits is still required as is the use of PPE when visiting.

Please follow the link below for more information

Activities

How lucky we were to have such warm weather this March, some of our residents took the opportunity to enjoy the warmth and sunshine on the terrace.

Easter bonnets have been sourced and have been tested by residents ready for decorating for the easter bonnet competition in April.

One of our Arts and Crafts sessions this month were spent designing and creating various greetings cards

Great news!!! Our new Motorized wheelchair has arrived.

This Model is a front wheel drive so is powerful enough to access the grounds with ease. We can't wait for the residents to start enjoying it.

Please contact the office if you would like to book the wheelchair.

Wishing Tony a very Happy Birthday for March we wish him many happy returns!

**We hope that you all remain safe and well.
From all at Peasmarsh Place.**

Apologies for the delay with this newsletter, but we have been experiencing an outbreak of COVID in the home and it has been busy. I would like to reassure everyone that we are following procedures and monitoring the residents - we are hopeful that the home can return to normal at the end of this week. With the relaxation of COVID protection measures, it is no longer mandatory to test before you visit, however we would appreciate it if you could still test, as we return to normal after the recent outbreak.

We say goodbye to Tony in April, as he moves to his new care home to be closer to his family.

Julie Harper

Manager
