

Peasmarsh Place Newsletter

Peasmarsh Place raises £500 for Macmillan Cancer Support!!!

The winter months are on the way so we are encouraging Lateral Flow testing prior to visiting the home, please ask a member of staff for a Lateral Flow Test kit.

If you are showing signs of COVID-19 then please refrain from visiting.

What a successful coffee morning here at Peasmarsh Place!!!

We held a Macmillan Coffee morning here on Thursday 28th September 2022

We had a selection of cakes baked by the cooks and a guess the cake baked by our very own Hill's.

We were also supported by some local business's who donated raffle prizes for the cause, thank you!

Kate our paramedic practitioner was very pleased with her win from the guess the sweets game!

Jill won guess the name of the bunny!

Well done ladies!!!

A big well done to Emma our Administrator for completing her 18-month long training course- Emma is now a Level 3 qualified Business Administrator! A great achievement.

It was great to see the residents and relatives enjoying the coffee morning. Thanks to Megan our Deputy Manager for organising this.

Our next event will be a pre-Christmas party on 19th December. More details to follow.

This was the second month where the residents enjoyed some songs from an outside entertainer – we are looking forward to another great afternoon on 10th October.

Julie Harper

Registered Manager

Ann, Jim and Jean all Celebrated their birthdays this month! We wish them many Happy returns!!!
