**Don't forget you are invited to our Christmas Party on Monday 19th December 2022
Please R.S.V.P**

Activities

The winter months are on the way so we are encouraging Lateral Flow testing prior to visiting the home, please ask a member of staff for a Lateral Flow Test kit.

We have had a productive month with plenty to do! We had our first shopping trip to Jempson's which was followed by a coffee in the Café.

If you are showing signs of COVID-19 then please refrain from visiting.

Some of our residents spent some time

creating some lovely crafting pieces

**Jill Celebrated her birthday this month!
We wish her many Happy returns!!!**

We have recently had a team of plumbers in to re-balance the heating system. This will ensure heat is distributed evenly and effectively throughout the home for the colder months

It has been lovely to see some of the residents enjoying our outings to Jempson's. Feedback has been positive, so we have proposed a monthly trip to Jempson's from January.

We have a busy month ahead in the run up to Christmas and it is great to be able to have so many events for the residents to enjoy.

We have the Christmas tree being delivered on Monday 5th December and staff and residents will be decorating this and getting the home looking festive.

Our Christmas Party on 19th December is open to relatives and friends so please let us know if you can come along.

Julie Harper
