Activities

What a successful month of activities for our residents!

Please help us to keep our residents safe and refrain from visiting if you have symptoms of COVID-19 or Norovirus

If you would like to complete a Lateral Flow Test then please ask a member of staff

We had a successful trip to Blackbrooks where residents were able to have a look around and do a little shopping, followed by lunch in the restaurant.

Our residents helped to decorate the Christmas tree in the hallway

We had carols in the lounge

One of the activities this month also included some arts and crafts – Residents created their own penguins using felt

We had a fantastic Christmas Party – Thank you to all of those who attended. We raised a total of £301 towards our residents fund. We were supported by some local businesses who donated some amazing prizes.

Megan won the Staff Bake Off competition with her delicious Lemon drizzle cake this was judged by Tina our cook, Margaret and Josie.

I hope you all had a lovely Christmas. It was fantastic to see so many of you at the Christmas party – thank you for your support and we hope you enjoyed the event. We were fortunate to have a local journalist attend and there is a great article online in The Rye News. Please see the link for the article –

It has been my first full year at Peasmarsh and it has been great to see the residents enjoying the activities and outings as we return to normal after COVID.

I hope you all have a great New Years Eve and see you in 2023!
