

Peasmarsh Place Newsletter

Please help us to keep our residents safe and refrain from visiting if you have symptoms of COVID-19 or Norovirus

If you would like to complete a Lateral Flow Test then please ask a member of staff

Some of the residents enjoyed the chair exercises this month, they requested resistance bands to make some of the exercises a little more challenging.

They also enjoyed batting balloons to each other, not letting it fall to the ground.

Our gardens are slowly waking up ready for the spring – The gardeners work hard all year round to keep Peasmarsh Place looking beautiful

Claire celebrated her Birthday this month. We wish her many happy returns.

We're looking forward to our trip to Hastings on Thursday 30th March – We

are planning on having fish and chips on the sea front for lunch.

As we welcome the warmer weather it will be lovely to see residents able to get out and explore the grounds again – they can do this using the motorized wheelchair. Please speak to a member of staff if you would like to take your relative out on this when you visit.

I would like to thank you for your positive reviews on the Care Home UK website – they are much appreciated, and I have passed these onto the staff team. For those who have yet to post a review on the website please do so.
