Some of our residents have been enjoying the sunny spells on the terrace.

Our activities this month have included a variety of board games.

Spring is finally here and it is great that the residents can start to enjoy the garden again on the terrace.

Our planned trip to Hastings has been postponed, as the residents wanted to wait for the warmer weather so they can enjoy the sunshine on the seafront.

We are planning our first social event of 2023 – more details to follow in the next Newsletter...
