

Peasmarsh Place Newsletter

We are excited to welcome and introduce to you, Sue our new activities Co-Ordinator and Debra our newest care assistant

We have had quite an exciting month of activities. We ventured to Hastings Sea front where we popped

into the Hastings contemporary art gallery then for some fish and chips and we finished the day by sitting along the sea front watching the world go by.

Rye Hospital held an Alice in Wonderland event here on Sunday 25th June. The residents were able to see performances by the Rye Players on the lawn and in the Rose Garden. It was so lovely to see the gardens buzzing with people.

It's been lovely seeing the motorized wheelchair out and about. This is such a useful piece of equipment for our residents to use and enjoy the beautiful grounds here at Peasmarsh Place

We will be holding an in-house session on Safeguarding for all residents family and friends to attend. The aim is to define the term safeguarding and give you more information. We hope to see as many of you as possible. Tea and biscuits will be provided.

Up and coming events

Father Owen – Thursday 6th July 2023

Jempsons Trip – Friday 14th July 2023

Residents, Family and Friends Safeguarding Session – Wednesday 26th July 2023 11am

Meet the team!

Each month we will be doing a piece about a member of our team. It only seems fitting to start with our Manager Julie Harper.

Julie enjoys running for leisure and fundraising and so far has run four half marathons and numerous 10k's

Julie also enjoys spending time with her family.
