

Peasmarsh Place Newsletter

We have introduced snappy tags for the residents clothing – Please follow the link for further info <https://www.snappytags.co.uk/product/snappy-tags-50-tags>

OT Students

We said farewell to Carys and Jane who completed their time with us.

It was beneficial to have them here with us. They worked with residents on various projects throughout their time with us and we will miss them. We wish them all the best in the future and hope they may return for a cup of tea soon. We are looking forward to welcoming Sarah and Mashud in January 2024 who will begin their placement with us.

ACTIVITIES

What a busy but fun month it has been!!!

At the beginning of the month, we visited Blackbrooks Garden

Centre.

We had our Christmas Party with family and friends and were joined by Lord and Lady Devonport.

We have had visits from the Childrens Choir, Ladies Choir and Geoff the magician.

Carys and Jane arranged a Christingle Service with Father Owen in the Lounge – Those residents who took part created their own Christingles.

Residents have also enjoyed the views from the terrace on days when the weather had been nice.

Meet the team!

Lin has been a member of the team at Peasmarsh Place for 6 years. Lin is a domestic here and our relief cook.

In her spare time Lin enjoys looking after her grandchildren, going out for meals, and baking.

Up and coming events

Please refer to our activities calendar.

Please note we will be having works carried out to our roof from January 8th 2024. We apologise for any inconvenience this may cause.
