

# Peasmarsh Place Newsletter

Wishing you all a very Happy New Year from all at Peasmarsh Place

## OT Students

Following the success of our recent OT student residency, we are delighted that Mashud and Sarah have joined us this month and have already made a positive impact among our residents. They have been working alongside Sue, our activities coordinator, to provide a variety of fun and interesting activities and interventions.

Ann and Violet both celebrated their birthday's with us this month and celebrated with home made cakes and a song from the staff! We wish them many happy returns

## Activities

This month the residents had a variety of activities.

Residents joined together to bake.

Residents competed to get the highest score in the cup stacking game!

We celebrated burns night with some Haggis throwing!

There has been an opportunity to be creative in arts and craft sessions.

An intervention by our OT's involved some additional contributions to our in memory boxes.

## Meet the team!

This month we welcomed Megan back from maternity leave during which Megan has been enjoying time with the new addition to the family. Megan returns to her post of Deputy Manager for Peasmarsh.

Emma returns to her role of Administration and Training Manager and continues to provide additional management support, having successfully completed the Deputy interim cover.
