

Peasmarsh Place Newsletter

OT Students

Sadly in February, we said farewell to Mashud and Sarah our most recent Occupational Therapy students from Brighton University.

They worked closely with staff and residents to bring new ideas and ways to support our residents' emotional and physical needs. We wish them luck and hope they will return to visit us soon.

Activities

This March saw a variety of activities in the home. Residents enjoyed some challenging chair exercises.

Ann won our Easter bonnet competition which was judged by Carol our responsible individual. Well done Ann!

Some of the residents got creative to make some lovely woolly sheep.

We celebrated Red Nose Day with a few fun games.

Pat and Barbara both celebrated their birthdays with us this month.

We wish them many happy returns 🎂

Meet the team!

This month we are meeting Edith who has been a member of the Peasmarsh team for 9 years since 2015

Edith is an passionate Elvis fan and during her spare time she enjoys spending time with her children and grandchildren.
