Activities

The warm weather this month gave our residents the opportunity to enjoy some time in the garden. The lake has now been dredged allowing for a clearer view.

Our residents had the opportunity to have a mini treatment completed by a beauty therapist from The Rye Retreat. We are looking forward to collaborating with them to offer a variety treatments in here at Peasmarsh Place.

Sue organised a trip to the local church for their annual flower festival. Residents created their own display which stood proudly in the church, a wonderful trip enjoyed by all

Meet the team!

This month we are meeting Kirsty.

Kirsty has been a member of the team since 2009!

Kirsty started work as a carer but is now a valued member of the housekeeping team.

In her spare time Kirsty enjoys walks with her family and completing a tricky puzzle.
