## Celebrating 40 Years of Quality Care!!!

This month we celebrated 40 years of providing Quality Care!!! Such an achievement. Our staff team pulled together to host a celebration never seen before here at Peasmarsh Place. We opened our gates to family, friends and all who wished to come along and celebrate with us.

The day was full of entertainment and fun activities for all to enjoy. The success of the day really evidenced the hard work and dedication of the whole team, from our care staff who worked on the day ensuring no disruption to the day to day living of our residents, the garden staff who assisted in the lead up and on the day and our homes manager Julie who was busy preparing cream teas with Tina our cook, night staff bringing high energy and Martin taking charge with the BBQ. We were also supported by family members of the staff too. Every member of the team really put their all into each task on the day! A huge thank you and well done to you all.

It was fantastic to see the lawn buzzing and the beauty of our arboretum being enjoyed by so many people. We are confident that we will continue to provide Quality Care for the next 40 years and more.

### Meet the team!

This month we are meeting Tanya

Tanya joined the team back in 2023.

In her spare time Tanya enjoys walking her dog Cobe, spending time with the family and gardening.
