Activities

**Help us
keep our
residents
safe!!!!**

This month has we have been challenging the mind with some competitive board games.

Please do not visit if you have signs or symptoms of Noro Virus, Flu or Covid-19

There has been opportunity for residents to be creative and test their art skills. They have been making flowers from paper towels

**If you have had Noro virus please wait 48 hours after last symptoms before visiting
Thank you**

As always, bingo was a success with the chance to win some goodies

Residents have also been able to express themselves through art and painting

Meet the team!

This month we are meeting Lily.

Lily joined us in August 2024 and is starting her journey in care. Lily will be progressing her career with us here and we are supporting her to complete her NVQ in Health & Social Care.

In her spare time Lily enjoys walking her loyal hound Benji.

We said goodbye to Emma who joined us from Brighton university on placement as part of her journey to becoming an Occupational Therapist. It was wonderful to have Emma with us for the beginning part of the year. During her time, she worked with the residents to get them more active and work on balance and mobility. We wish her all the best for the future!

Up and coming events

Chiropodist – Wednesday 5th March 2025

Residents meeting – Wednesday 5th March 10.30am
