August has been a pleasant month overall with some wonderful warm weather, Residents have sat outside with their families relaxing on the terrace and enjoy the superb views.

ACTIVITIES

Sue organized a Jewelry making activity this month, there was lots of concentration required but some wonderful pieces were made. Here is Pat showing off her very colourful creations! Very Pretty!

Residents have been incorporating Physical Exercise into a lot of their morning activities. Recently Kim sourced a new Exercise DVD which has been a huge hit. Here is Maureen D having a good stomp at armchair exercises.

Percy the PAT dog

Percy continues to come in every Wednesday afternoon to see you all. Our furry friend brings smiles to all, and he loves his little treats too!

Meet the team!

This Month

Belinda Ledger

Belinda started working at Peasmarsh Place in 2023

Belinda is a much loved member of our Care team.

Always with a smile on her face, she brings joy to all those around her with her positive energy and wise words.

Outside of work Belinda spends time with family and friends.

She also enjoys playing 2p machines on the seafront in a bid to win rubber ducks and Backpacking around Countries far and wide.

Gemini Pop-Up Clothing came to the home recently; in a blink of an eye the drawing room transformed into a clothes shop! Residents perused and brought some lovely items, which we look forward to seeing on them soon.

Mid-August saw a little get together for staff on the lawn, it was an opportunity for all departments to come together with family and relax in the stunning grounds in which we feel privileged to work. The weather was kind and overall, it was a lovely afternoon. Our director Steve Winter also joined in the celebrations.
