October 2025

Issue 49

Peasmarsh Place Newsletter

“Autumn carries more gold in its pocket than all the other seasons.”

— Jim Bishop

We are embracing the joys of autumn here at Peasmarsh Place. October has been a month of warmth and togetherness. We are excited to share some of the highlights with you and a little peek into what’s coming up as we head into November.

Peasmarsh Place Is Now on Facebook – Come Say Hello

This month we went live on Facebook. We will be sharing regular updates and photos of all the wonderful things we get up to. There is also the video on there, which was taken of the home recently, which really highlights how spectacular Peasmarsh Place is.

Say Hello to Elliot, our talented Apprentice Production Chef who brings energy, creativity, and a love of good food to our kitchen every day!

Whether he’s helping prepare nutritious meals for our residents or learning new culinary skills, Elliot is always eager to grow and support the team.

Outside of work, you’ll find him spending quality time with his family, relaxing with his girlfriend, or diving into his favourite computer games.

We’re proud to have Elliot as part of our care home family — his passion and positivity make a real difference!

Dining in Style: Hello Yellow!

Out with the old and in with the new! The dining room has had a delightful makeover, with the walls now painted a cheerful shade of yellow, and the hard floors make the space feel brighter, it’s amazing what a splash of colour can do to refresh the heart of the home.

Retail Therapy & Coffee Cheer!

A small group of residents had a lovely outing to Jempson’s to do a bit of light shopping then had a relaxing coffee break after. We appreciated the change of scenery and the chance to enjoy some fresh air and friendly conversations.

Battered Bliss: A Fry-Day to Remember!"

Last Friday we had The Flying Fryer come to the home providing us with freshly made Fish and Chips, cooked on our doorstep!
How Lucky Are we!
Everyone appeared to enjoy their meals and had full tummies afterwards.

The Flying Fryer will return in November!

Games, Giggles & Good Times

This month has been another busy one! We continue to enjoy keeping our minds and bodies active with a combination of daily quizzes, chair exercises and of course a good old game of Hangman!
The Activity Ladies are continuing to bring new ideas to the monthly Activity Calendar, if anyone would like to make a suggestion please speak to Sue or Kim!

In the afternoons there has also been a few games of RummiKub played by some of the residents. Light competition, laughter and a few cups of tea along the way. A perfect blend of fun and companionship.

Riddle Me This.....

I help you get from room to room,
I'm opened wide or closed with a boom.
I keep things private, safe, and sound,
At Peasmarsh Place, I'm easily found.
What am I?

Answer in Next Months Newsletter
