Firework Night Spectacular

On the 5th of November, we lit up the skies over Peasmarsh Place with a dazzling firework display! Residents and their families gathered on the terrace, wrapped up warm, to enjoy the vibrant colors and sparkling lights. To make the evening even more special, we served hot chocolate and tasty nibbles—and of course, no celebration would be complete without a few sparklers to add to the fun!

Coffee with the OT students

This month, residents enjoyed several delightful coffee mornings with our Occupational Therapy students - Hannah and Jess. These gatherings offered a wonderful opportunity for residents to make their own hot drinks, indulge in a selection of biscuits, and share stories from the past in a relaxed and friendly setting. It's been a lovely way to connect and reminisce.

Meet the team!

Let's say hello to our Registered Manager Emma Stonham!

Emma recently completed the final CQC stages to gain her registration and achieved a **Distinction** in her NVQ Level 5 in Management and Leadership in Adult Health and Social Care – a fantastic accomplishment that reflects her dedication and hard work. Emma plays a vital role behind the scenes and on the floor, ensuring the smooth and safe running of our home. Her journey with us began in 2011 as a night care assistant, later moving to day shifts. Over the years, she has worn many hats – from housekeeping to administration – and supported previous managers before stepping into the role herself. Her wealth of experience and knowledge is invaluable in supporting both staff and residents.

We are thrilled to have her leading the team and wish her every success in her role!

Rye Racketeers

On Saturday 22nd December we had the Rye Racketeers attend the home to put on an afternoon of musical madness which was enjoyed by all who attended. Residents were singing along to Christmas Songs.

Overall feedback was very good with requests for The Rye Racketeers to return in the future!

Activities Round-Up

This month has been full of fun and variety! Residents particularly enjoyed the energetic exercise classes led by our Activities Coordinators, Kim and Sue. Alongside keeping active, we've had plenty of mental stimulation too, with lively quizzes, classic games of hangman, and the ever-popular "What's in the Bag?"

We love hearing new ideas for activities, so residents are always encouraged to share their suggestions with Kim and Sue to help shape next month's calendar.

November Birthday Celebrations

In November, we celebrated two special birthdays! At the start of the month, Marie enjoyed a wonderful day filled with smiles and surprises.

Later in the month, Jill marked her incredible **99th birthday** with a fabulous lunch alongside her family in the Boudoir Room.

Our talented Cook, Lyn, created beautiful homemade cakes for both ladies. Tanya had the honour of presenting Marie's cake at lunch, while Emma delivered Jill's in front of her family and fellow residents.

We hope both of these lovely ladies had a truly memorable day!
