Welcome!

As February drew to a close, we noticed the evenings beginning to stretch out, and the first daffodils starting to bloom. Spring is definitely on the horizon — and we couldn't be more excited! Here is a little snippet of what we have been up to this February!

Chinese New Year!

Chinese-inspired dishes were served as we celebrated the Chinese New Year — the Year of the Horse. Residents were given beautiful hanging decorations to take away, which have been lovely to spot adorning door handles and walkers throughout the home.

Gemini Clothing Returns!

February saw the return of Gemini Clothing to the home. A pop-up shop was set up in the drawing room, with a dressing area in the boudoir and rows of clothes for residents to browse and purchase. It was another successful visit — perfect for those days when we prefer not to venture out in the winter weather.

Cosy Coffee Morning!

A coffee morning was held this month in the Drawing Room, giving everyone the perfect chance to get together, catch up, and put the world to rights — all while enjoying a comforting hot beverage. It was a wonderfully relaxed gathering, filled with easy conversation, warm smiles, and that lovely sense of togetherness.

Spotlight On Staff

Joanne Sherwood

Jo is a much-valued member of our Care Team. She first joined us as one of our Night Ladies, and more recently we've been delighted to have her supporting residents during the day as well. Jo is known for her cheerful, jolly nature and her love of a light-hearted prank, always bringing smiles to both residents and colleagues.

She is currently working towards her NVQ Level 3, adding to the wealth of knowledge and experience she already brings to the home. We are so proud of her continued dedication and the positivity she brings to every shift.

Fish Friday Fun!

What a brilliant way to round off the week — a visit from the ever-popular mobile fish and chip van, *The Flying Fryer!* The team served up delicious, freshly cooked fish and chips, and the mouth-watering aroma drifted happily through the corridors. There were plenty of smiles, full tummies, and lots of satisfied chatter afterwards!

The Return Of Sherry Club!

There's nothing quite like the cosy ritual of Sherry Club making its return. At 12.15pm sharp, residents gathered in the Drawing Room for a friendly tippie while we awaited lunch to be served. The atmosphere was full of chatter, laughter, and clinking glasses — the perfect mid-day pick-me-up and a lovely way to bring everyone together before lunchtime.

Birthday Celebrations

We celebrate Liz's birthday this month. Another yummy caked made by the kitchen fairies. Served at lunchtime in the dining room where there were smiles, good wishes, and a joyful atmosphere as everyone joined in to make her day feel extra special.
