April 2026

Issue 55

Peasmarsh Place Newsletter

Welcome!

This month has been wonderfully fun-filled, and with the brighter, warmer weather we've been able to make the most of the terrace and the beautiful landscape around us. It's been a real pleasure spending time outdoors together.

Spring Party & Easter Celebrations

On the 18th of April we had our Spring Party, with an extra special visit from one of our local lambs, who brought smiles to all. This followed by a homemade afternoon tea. Fresh scones, Quiche, Cakes, and an assortment of sandwiches, left everyone spoilt for choice. Our afternoon ended with another sing along with Rocking Reg.

We also all enjoyed an Easter egg delivered with our breakfast. Easter Morning, there was also some Easter themed Crafts, with residents coming together to decorate the dining room with Easter Trees and Banners.

Spotlight On Staff

This month is all about Kirsty Beckingham! Kirsty is celebrating an incredible 17 years at Peasmarsh Place

Over the years she's taken on lots of different roles and is now a much-valued part of our housekeeping team.

Kirsty's kind heart, enthusiasm and can-do attitude make her a real credit to Peasmarsh Place—always happy to lend a hand to staff and residents wherever she can.

Kirsty is also our Health & Safety Representative, and she's more than ready to get stuck into the role—so if you see her keeping a keen eye on things, you'll know why!

Dance With Daisy

On 9 April, Daisy visited the home to lead a fun dance-based exercise session. With classics from Frank Sinatra and Aretha Franklin playing in the background, we enjoyed gentle armchair movements and plenty of smiles all round. We're looking forward to welcoming Daisy back in May!

Birthday Celebrations

There were **three** birthdays in April to celebrate...
Joan, Penny and Jo, we hope you all had a **very happy birthday!**

Here is photos of each of them with their skilfully decorated homemade birthday cakes

Famileo

We have loved receiving newsletters from family and friends, sharing their recent adventures and day-to-day updates. It's such a lovely way to stay connected and gives everyone something special to look forward to—reading the messages together, chatting about the photos, and feeling part of what's happening at home

Families have been sent links to Famileo to sign up, please check emails for this link!

The logo for Famileo, featuring the word "famileo" in a blue, lowercase, sans-serif font. The letter "i" is stylized with a small orange dot above it.
